But David was overwhelmed by the message of God's love and grace given by the church pastor, that shortly thereafter, he became a Christian and began a new life of prayer and devotion. Years later, David became instrumental in helping his mother, Karen and sister, Denise become Christians also. David soon became an Elementary School Teacher and also worked as a Sunday School Teacher at his church. David soon fell in love Lynnette Humphrey, a Chicago area businesswoman. On his birthday, mere weeks before their wedding, family and friends gathered at Lynn's house to surprise David and light the candles on his cake as he approached. When Lynn went outside to get David, she got word of a gas leak in area homes. As she ran to the house, David's mother lit the candles. An explosion erupted, and everyone died. Shocked by the events, David collapsed into a coma. Soon, deep within his subconscious, David was taunted by demons from Hell. Within moments, The Angelic Host of Heaven appeared and instantly the demons were expelled. The Host of Angels garbed David with armor, a sword and a shield and granted him a new strength to be a warrior for Christ known to the world as The Armorbearer, beginning a new life fighting against evil.

Powers/Weapons: The Armorbearer has power to transform into his body armor at will and call at his aid a vast array of swords, shields and body armor. His swords can fire beams of light. His armor and weapons are all nearly indestructible.
